Dedication

The 1983 Warrior Staff proudly dedicates this edition of the Warrior to our two senior sponsors.

Pat Gatlin

Pat Gatlin is a very dedicated teacher. She shows students that she cares if they make it in life and provides that extra help that means so much to us all. We honor this lovely lady.

Sonya Burford

Ann Sprayberry

Ann Sprayberry is a very sincere and dedicated teacher. She has been at Ohatchee for three years. Within those three years, she has shown kindness and generosity toward students, and that has been greatly appreciated. We acknowledge her many contributions by dedicating the 1983 Warrior to her.

Kim Mills

SENIORS AND

1977

STAFF

Perry Allen

Southern born, Southern bred. When I die, I'll be Southern dead.

Randy Bowden

If I were rich I would buy my diploma, but I'm so poor I can't even pay attention.

Arthur Brewster

Most folks are about as happy as they make up their minds to be.

Kecia Brewster

I'm spoiled and love it.

Torris Brewster

When a guy finds love on a two-way street, it usually ends up being a dirt road in Hellamand.

Robert Brown

When life gets tough, the tough get kicked the ribs just to make them tougher.

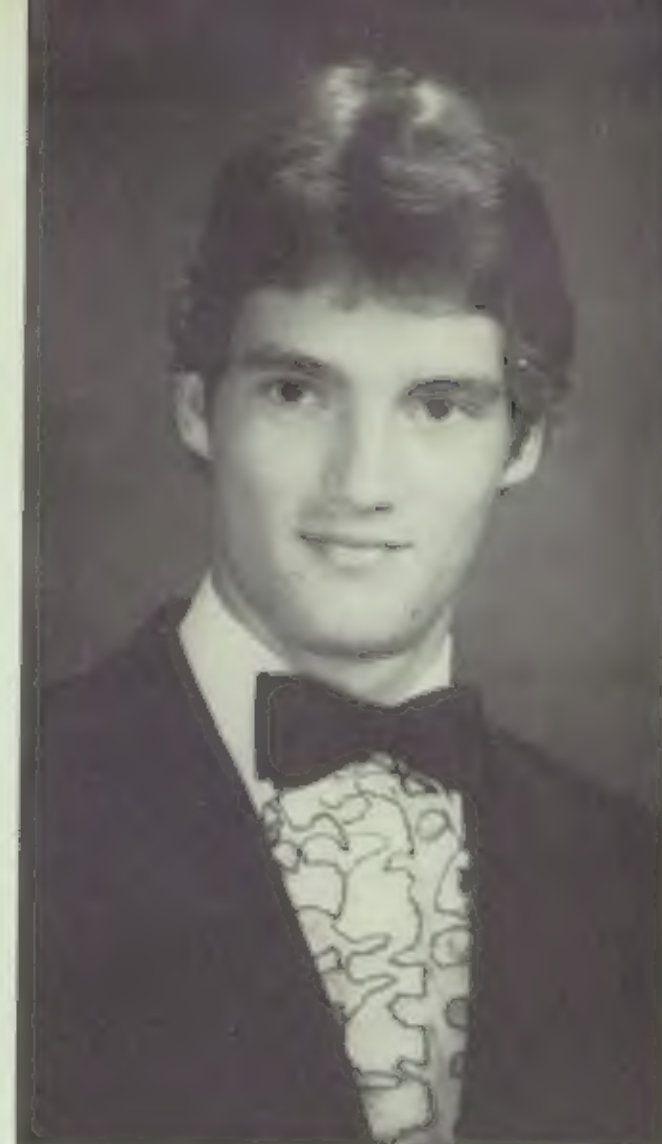

Sonya Burford

If you meet me and forget me, you've lost nothing. If you meet Jesus and forget Him, you've lost everything.

Walter Collins

Work, I love it. I could sit and watch it forever.

Robert Davis

All of this and brains too.

Sandy Davis

If you think education is expensive, you ought to try ignorance.

Jeff Dodgen

The thrill is not just in winning, but in the courage to play the game.

Frederick Douthard

I asked of life, "What have you to offer me?" And the answer came, "What have you to give?"

Darren Douthitt

Do not follow where the path leads. Go where there is no path and leave a trail.

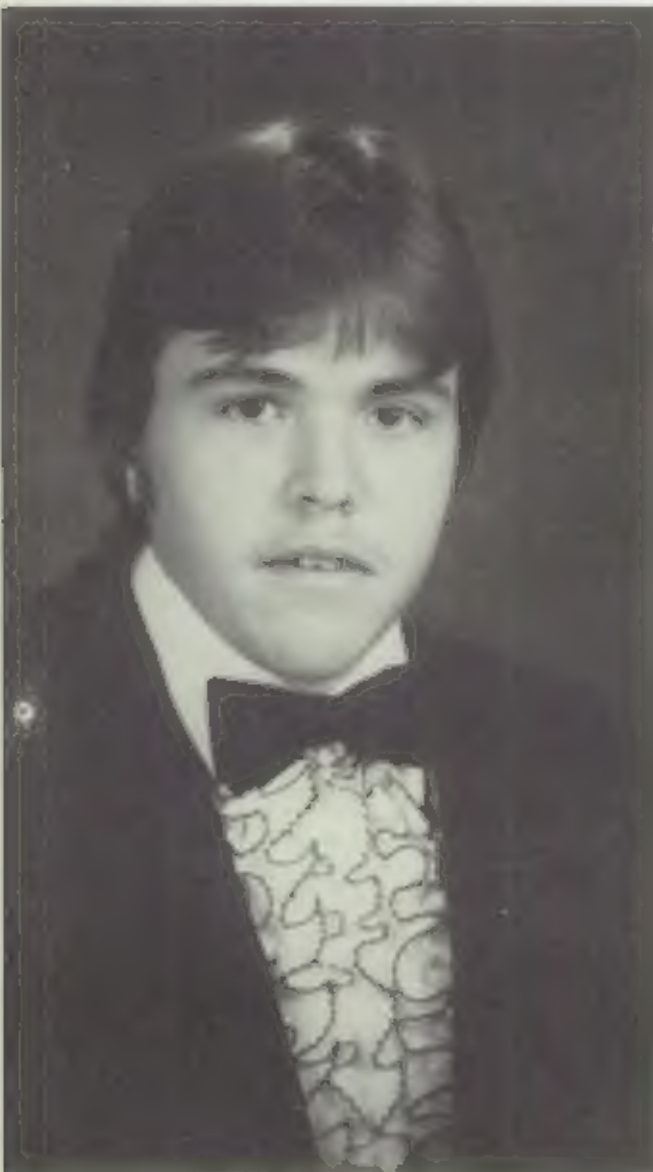

Kim Dover

You can't have rainbows till you have tears.

Steve Dover

I like my beverage on ice and my women.

Robbie Dunaway

When you get to the end of your rope, tie a knot and hang on.

Donna Dunn

If we learn from our mistakes, I ought to be a genius.

Michelle Evans

God said it. I believe it, and that settles it!

Denise Fleming

I hate rare smiles - love laughing

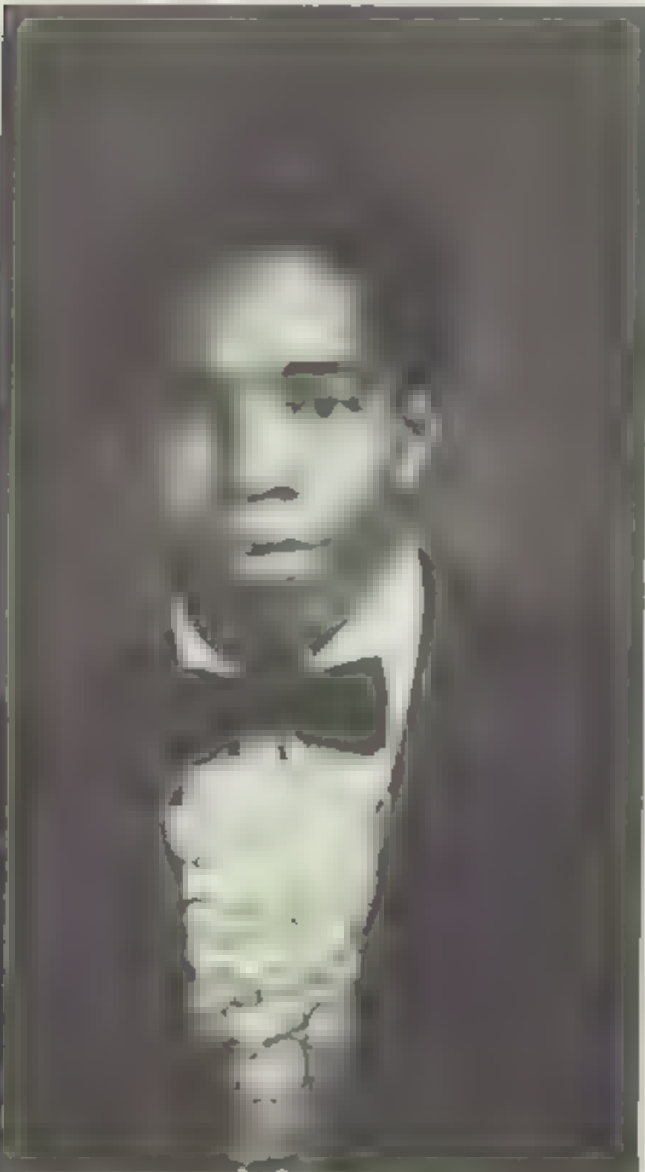

Tammy Gladden

I'm easy to please as long as I have things my way

Bruce Griffin

Eat and sleep, eat and sleep, eat and sleep,
there must be more to life than that. But I hope
not

Bryan Hodge

I don't need a great deal, or love, but I do need a
steady supply.

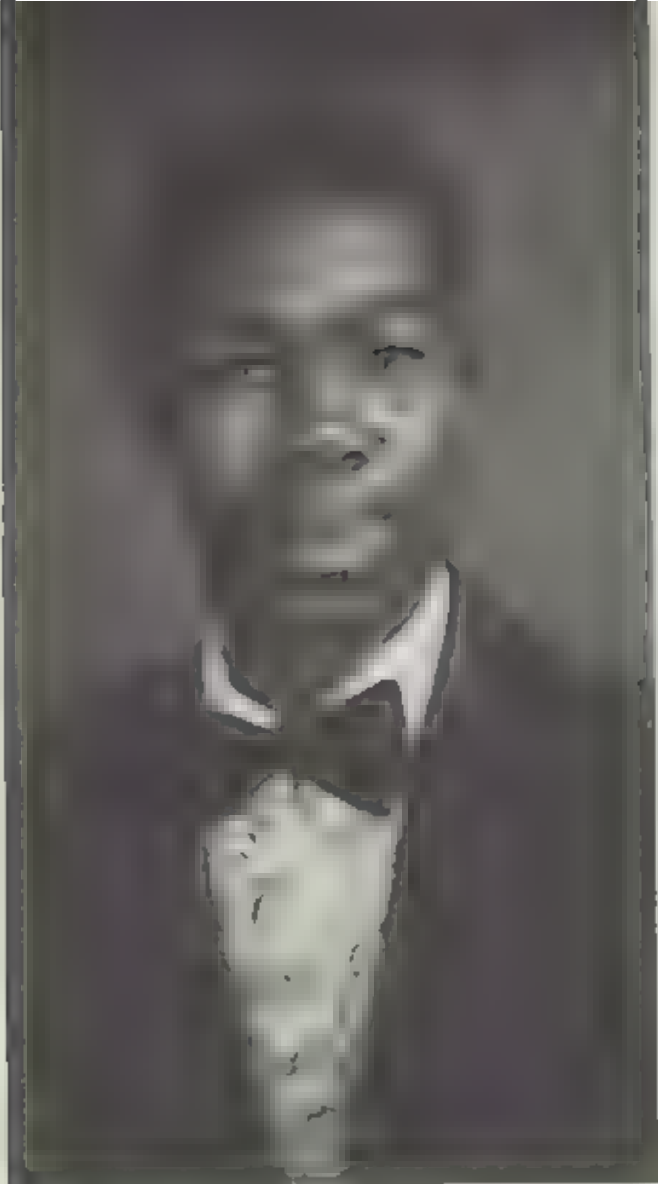

Kelly Howard

Why should I be willing to compromise when I'm
the one who's right?

J. D. Hudson

May the good Lord bless us all

Kevin Hunter

Losing isn't one of my best qualities

Kathy Johniken

You see things as they are and ask, "Why?" But I dream things that never were and ask "Why not?"

Tracey Johnson

The best thing about my twelve years of school is leaving the bad memories behind

Felisa Killings

My interest is in the future because I am going to spend the rest of my life there.

James Lehr

People take the word friendship for granted. True friends are rare, and I value mine.

Slay Magouirk

If heaven isn't a lot like Dixie, I don't want to go.

Leah Martin

Everything I didn't do yesterday added to everything I haven't done today plus everything I won't do tomorrow completely exhausts me

Donnie Mayo

The South will rattle again

Annette McQuay

April 1 - this is the day that we are reminded what we are the other three hundred and sixty-four

Kim Mills

Give to the world the best you have the best will come back to you

Tammy Moses

You see things as they are and you ask "Why" But I dream things that never were and ask, "Why not?"

Danny Nance

The only thing achieved without effort is failure

Kim Parker

Be kind, sweet, and always understanding to others and party hard!

Kenneth Parton

I like my cars, my women, and my beverage

Antone Peters

The road to success is marked with tempting parking places

Steve Phillips

I'm really innocent I only look guilty

Valita Reeves

While it is well enough to leave footprints in the sand, it is more important to leave them pointing in the right direction.

Jammy Reid

Silence makes the real conversation between friends

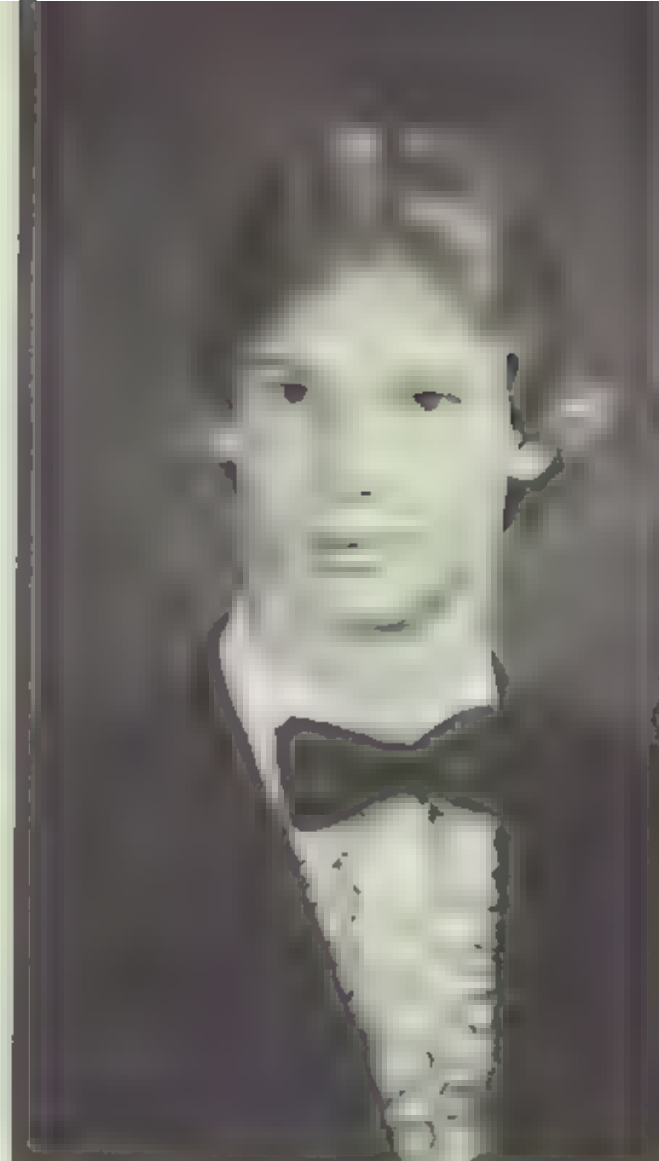

Dana Shelnett

Never try to tell everything you know. I may take too short a time.

David Smith

Never give up on dreams.

Ben Stewart

Life's road is long and narrow, but seem to be going the wrong way.

Veronica Sturkie

Some people make the world special just by being in it.

Glenda Teague

Happiness is not having what you want, but wanting what you have.

Candi Thompson

Love at first sight is often cured by a good second look.

Paula Thompson

All the special gifts and powers from God will someday end, but love goes on forever.

Norma Tollison

What you are is God's gift to you; what you make of your life is your gift to God.

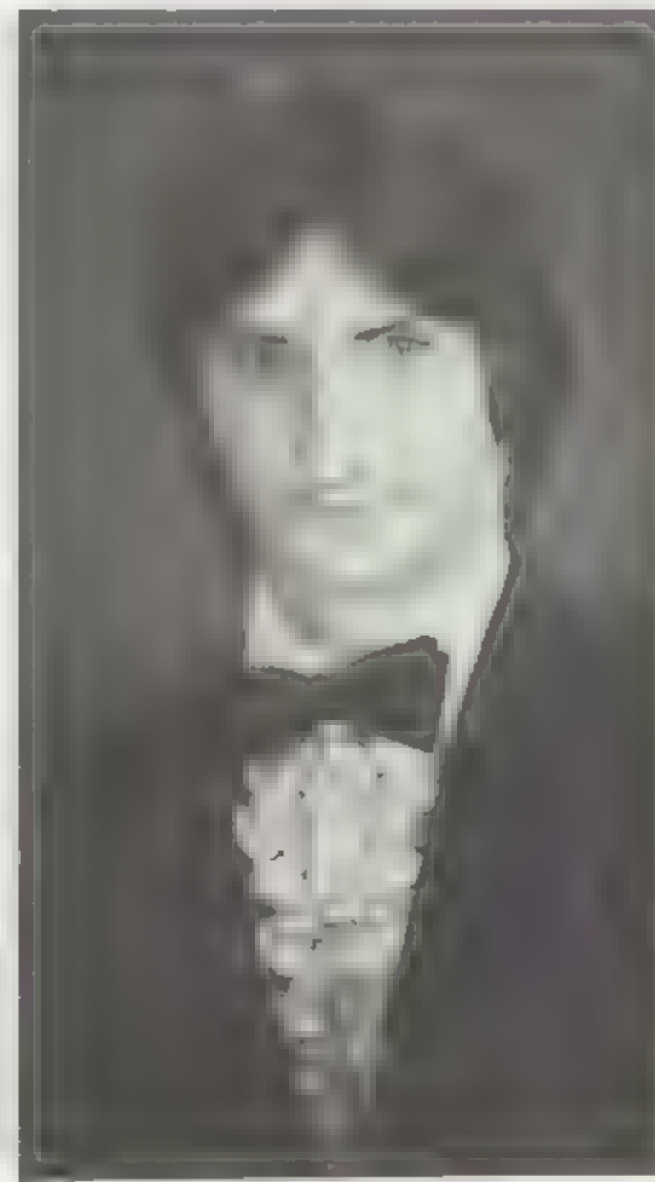

Tammy Usrey

I spend half my time wishing for things I could have. I didn't spend half my time wishing.

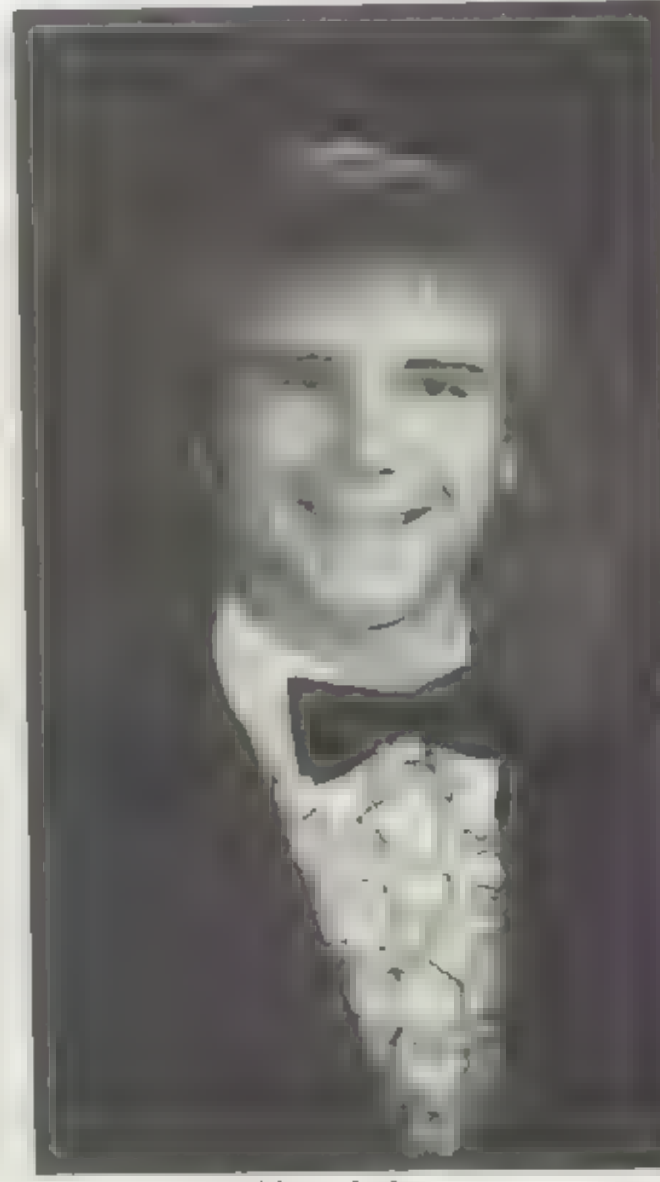

Tina Usrey

If you love something, set it free. If it comes back to you, it's yours. If it doesn't, it never was.

Jimmy Watts

My heroes have always been cowboys.

Blake Whiteside

I gotta shotgun, rifle, and a four wheel drive and a country boy can survive.

Brenda Whitley

The great thing in life is not where you stand but where you are going.

Edward Woods

If I always do right, I will gratify some people and astonish the rest. But like my mom says, "Fair chance"

Bobby Woodrow

All my rowdy friends have not settled down
